

General

You are required to:

- Fully comply with road traffic legislation
- Produce a valid driver's licence upon request of site officials
- Carry your SUD or Van Smart certificate at all times for inspection.
- If you haven't yet completed Safe Urban Driving (SUD) or Van Smart Training and you are required to deliver to any Tideway worksite or working area more than **3** times a year, please ask your employer to send you on SUD or Van Smart course. This training is mandatory and you will not be allowed on site without it after your third trip to a Tideway site.

Zero tolerance to:

- Taking a mobile phone call or using a tablet or other portable communication device whilst driving or on site
- Misuse or abuse of equipment provided for Health & Safety
- Drugs & Alcohol – You may be tested at the site
- Exceeding site speed limits, not adhering to site signage and/or not following instructions from authorised persons (Traffic Marshalls, Gate Security, Plant Attendant).
- Not co-operating with vehicle inspectors

Nearest Hospital A & E:

Before leaving your depot:

Check the vehicle is compliant with Tideway vehicle safety requirements, and that warning systems are in order including overall length signage if driving an artic

Ask yourself:

Is my vehicle booked in?

If not, your vehicle will be turned away from site

Do I have my valid SUD or Van Smart certificate?

Do I have my vehicle identifier displayed in the front of the vehicle?

Do I have my route plan to Greenwich Pumping Station?

Have I been briefed on the known hazards along the route?

Is my CPC licence & driving licence valid for the type of vehicle I am going to drive?
